CELEBRATING WHAT GOD HAS DONE. **MULTIPLYING** WHAT COMES NEXT.

"...immeasurably more than all we ask or imagine..." —Ephesians 3:20

NOTE FROM MATT

In 2026, God moved. Lives changed, new groups formed, and the gospel went further than we could have orchestrated on our own. As we step into 2027 with a new look and a renewed push into evangelism and community, we believe God is calling us to something bigger. He's calling us to **more**.

This year, our goal is **$1.3 million** — not as a number to hit, but as a vision to steward. Every gift multiplies: more groups launched, more neighbors reached, more disciples made, more generations impacted. This is our opportunity to respond in faith to what God is already doing among us.

God has been generous to us, and everything that we have belongs to Him. As we become more like Jesus, we learn to hold what He's entrusted to us with open hands. Radical generosity begins with a willing heart that asks, "God, what would faithful obedience look like for me, and what have you placed in my hand that you'd like me to release?"

Thank you for being part of this church family and the story God is writing through us. I hope you will join my family in supporting our year-end goal.

With gratitude and faith,

Matt

What “More” Looks Like

REAL LIVES. REAL IMPACT.

When Paul and Kristine Witucky first walked through our doors, they were looking for a church — they didn't expect to find a marriage-strengthening community. After finding community, they each decided to join a discipleship group.

What started as separate groups became something that shaped them together. Both found honest friendships, real accountability, and a depth of community they hadn't experienced before.

"We didn't think this kind of community was possible — for us individually, or for our marriage."

Their story is one of hundreds your generosity helped write this year.

“God softened our hearts towards each other and strengthened our marriage through community.”

Every Gift Toward the $1.3 Million Goal Matters

For some, faithfulness may mean giving for the first time.

For others, it may mean growing in generosity.

For others, God may be inviting you to make a significant year-end gift.

Generosity is more than something we do; it’s one of the ways Jesus forms us as his disciples.

Ask God One Simple Question

“What would You have me give?”

Whether your gift is $25, $250, $2,500, or $25,000, generosity isn't measured by the size of the gift. It's an opportunity to trust God with what He's placed in our hands.
