Is there any other information about yourselves or your wedding situation you think might be helpful?

We place a high value on the premarital process at the Vineyard and our pastoral staff deems this time foundational for the spiritual and relational preparation for your life together. Therefore, **attendance in the Vineyard Premarital Series is a prerequisite** to be married by a Vineyard pastor or in the Vineyard Chapel. Please note that your wedding reservation will be held tentatively until confirmation has been received that you have completed all the requirements of our premarital series. You can find more information and register for an upcoming class at vineyardcincinnati.com/premarital.

Our goal is to assist you in making your wedding day all you hoped for. Please review the Wedding Information Packet available at vineyardcincinnati.com/weddings. The wedding packet has been prepared to help you with the organization and planning of your wedding. It provides details regarding policies, fees, and the wedding process.

To schedule a chapel tour or check chapel availability, contact the Wedding Scheduler at weddings@vineyardcincinnati.com.
