VINEYARD CINCINNATI

The Vineyard in Cincinnati began in the early 1980's as a small group with a vision to reach people of all kinds by scattering seeds through serving the city in practical ways.

CLOVERHOOK CENTER FOR THE BLIND

Located in North College Hill, this organization serves the visually impaired and is the largest publisher of braille materials by volume in the world.

WESTWOOD

The home of the original Skyline Chili and LaRosa's pizza, both Cincinnati originals.

EDEN PARK

One of Cincinnati's most popular parks and home to the Cincinnati Art Museum, Playhouse in the Park and Krohn's Conservatory. It's origins date back to 1869.

UNDERGROUND RAILROAD MUSEUM

The most well known border of the Underground Railroad is the Ohio River. Many families in Cincinnati assisted slaves to freedom.

LOVE YOUR CITY

SERVE SATURDAY IS BACK & CALLING ALL OF US TOGETHER TO LOVE OUR CITY.

Our mission is to cover the whole city in prayer. Cincinnati is a unique city full of history and a storied future to come. Let's affect the future narrative of our city by praying through all 100 neighborhoods.

JOURNEY TO ONE OF THE 100 NEIGHBORHOODS

Your mission is to travel to the neighborhood selected. Search Spotify for the Cincy Prayer Adventure playlist and let the music set the mood. Get in the car and head that direction.

PRAY AS YOU GO

Make it fun! Take the long way as you drive to your destination, passing through as many communities as possible. Pay attention, look for the checkpoints below, and pray over them!

- SCHOOL**
Pray for the teachers to have creativity and for students to connect to new ways of learning.
- DOCTOR / MEDICAL**
Pray for the staff, for hopeful endurance and patients to be healed.
- BRIDGE**
Pray for reconciliation and unity so that each of us would seek out the best in each other.
- MUNICIPAL**
Pray for our civic leaders to have wisdom and citizens to have hearts of service.
- SHOPPING CENTER**
Pray that business can stabilize and more employees can be hired.
- RECREATION AREA**
Pray that families can grow together safely in these spaces again.
- POLICE / FIRE**
Pray for wisdom and courage as they protect our neighborhoods.
- BUS**
Pray that our travels would connect us and bring us together rather than drive us apart.

TRACK PROGRESS

Use the map to track where you are and where you're going. Keep a running count of the number of neighborhoods you pass through along the way. Support a local business while you're out praying – drive thru for beverages perhaps?

- Count neighborhoods
- Support local business

REACH GOAL, PRAY, & PHOTOGRAPH

The adventure ends when you have reached your designated neighborhood and prayed for that community. Text us a photo of where you land to 513-763-0662.

- BONUS CHALLENGE:** include in your photo a notable landmark or sign that would indicate your neighborhood location.
