WHO WE ARE

Since 2008, The Healing Center has been a place where anyone in Greater Cincinnati and beyond could come to have their economic, social, emotional, and spiritual needs met.

We exist to ***Inspire Hope, Foster Growth, Meet Needs, Build Relationships, and Reflect God's love in all we do.*** We care deeply about meeting the needs of our guests and offer over 50 different programs and services free of charge. We also want to see our guests thrive by helping them create their future story and walk alongside them to achieve it.

We provide our guests with tools and support as they take their next steps toward self-sufficiency. Changing your life's circumstances is hard and we make sure our guests do not have to do it alone. Together we are a community that is *helping each other thrive.*

Adrienne Wiley
Executive Director

We are meeting basic needs through Wearhouse and Marketplace visits, referrals to local community resources, utility assistance, and eviction prevention.
