

2022 IMPACT REPORT

FRIENDS,

Since 2008, the Healing Center has been a place where anyone in Greater Cincinnati and beyond could come to have their economic, social, emotional, and spiritual needs met. Each year since then, we have seen our community grow and expand. From the development of services such as the Student Run Free Clinic to our education partnership with Cincinnati Public Schools, we have taken bold steps to advance our mission to **Inspire Hope, Foster Growth, Meet Needs, Build Relationships, and Reflect God's Love.**

In 2022, God opened new doors and provided unique opportunities for the Healing Center to extend its impact in the community. This year, we partnered with United Way as a systems change partner, working with other nonprofits to improve systems of care and help solve the issues around poverty in our region. We expanded the Healing Center Advisory Board to include professionals in the areas of court corrections, education, human resources, marketing and development, and mental health. Through the 19th annual Hunger Walk, we raised a record breaking \$100,000 to combat food insecurity.

In 2023, the Healing Center will celebrate 15 years of being a community that is helping each other thrive. That is 15 years of God transforming lives. 15 years of people, like you, standing in the gaps with your prayers, your time, and your giving. We are grateful for your ongoing support and look forward to seeing all of the ways God will continue to bless this ministry in the coming year through your faithfulness and generosity.

God bless,

Adrienne Wiley
(EXECUTIVE DIRECTOR)

BASIC NEEDS MET

Through...

- Wearhouse visits
- Marketplace visits
- Referrals to local community resources
- Utility assistance
- Eviction prevention

13,164

unique families were able to partake in 37,926 services, including more than 17,000 visits to both the Wearhouse and Marketplace.

1,713

households provided with resources, referrals, and support through Community Resource Connections (400 of those in Spanish!).

247

bicycles were repaired and distributed to our guests.

581

families visited us for the first time.

PRAYER...

169 people had Extended Prayer appointments, meeting with our prayer partners for a deeper experience of seeking God for healing, understanding, and peace.

Every session that we are open for services, prayer partners are ready to engage by praying with or for people about any spiritual needs they have.

EDUCATION

This year we added several community partnerships to increase enrichment activities and materials provided to Healing Center children.

Through our book donation partners, we are able to feed imagination by offering special-interest books as well as provide culturally-diverse reading materials to improve cultural representation in the books offered in the Kids Clubhouse.

.....
2,742 books given away in Kids' clubhouse.

- 4,361** kids were cared for in the Kids Clubhouse
- 1,205** kids in the Kids Clubhouse received tutoring
- 1,405** classroom hours completed by students in our GED & ESOL programs
- 6** students earned their GEDs
- 4** students graduated from ESOL classes to start working on their GEDs
- 1** former student is now a nursing graduate!

HUNGER WALK

We are grateful for everyone who donated to our Hunger Walk fundraising campaign. Your registrations helped us surpass our **\$100,000** fundraising goal!

In addition to providing food for our guests throughout the year, these funds will also help us purchase a new refrigerated truck to transport fresh produce, meat, and dairy to the Marketplace at the Healing Center.

A huge thank you to our corporate sponsors Duke Energy Ohio, First Financial Bank, and Four Seasons Environmental, Inc.

730

people registered for
the Healing Center's
Hunger Walk team!

HEALTH SERVICES

Student-Run Free Clinic and Life Forward

The University of Cincinnati **Student Run Free Clinic** (SRFC) provides free medical care at the Healing Center for adults who do not have health insurance. In 2022, we expanded our health care services by hosting our first head and neck cancer screening event. We also offered a flu shot clinic for the Student Run Free Clinic patients.

Since 2017 the Healing Center has been the Springdale location for **Life Forward**, offering free pregnancy tests, ultrasounds, and support to women and couples facing unplanned pregnancies.

662 health care services were provided through these two partners in 2022.

COMMUNITY PARTNERSHIPS

The Healing Center's programs and services have been greatly enhanced by our wonderful community partners who are as passionate about serving others as we are. THANK YOU to all of the churches, businesses, and organizations that have helped us make an impact in 2022.
