

VINEYARD CINCINNATI CHURCH PARTNER COMMITMENT

I am walking in a surrendered relationship to Jesus Christ and am in agreement with the mission, vision, Statement of Faith, and bylaws of Vineyard Cincinnati Church. I unite with other "VCC Partners" and affirm my decision to follow Christ wholeheartedly and fully participate in the life of His church.

Mission: We Live & Love Like Jesus.

Together we fix our eyes on Jesus and acknowledge that everything we do should be all about Him. We believe in these principles, and I declare my promise to continue moving forward and growing in the below principles as a VCC Partner:

We follow these principles:

ENGAGEMENT

We engage in discipleship relationships and seek to disciple others. We demonstrate God's love by serving in our church, in our city, and around the world. We worship together in-person regularly.

GENEROSITY

We acknowledge God's generosity to us and live generously with others. Together we commit to contribute to the mission of the church through financial generosity. We tithe (10% of total income) or continually take progressive next steps toward that, and give of our time and talents.

BIBLICAL UNITY

We value being a diverse community because God calls his people to live in unity with one another. We work to live at peace with people by putting others first and practicing biblical conflict resolution.

MINISTRY OF THE HOLY SPIRIT

We acknowledge that when we receive Christ as our lord and savior, we receive Holy Spirit who empowers us to accomplish what we cannot accomplish on our own.

LEADERSHIP DEVELOPMENT

We seek to be a part of something bigger than ourselves by intentionally being part of God's greater mission. We intentionally pray over our church's direction and submit ourselves to the Word of God in order to grow in spiritual maturity.

I will intentionally take steps to grow in all of these areas, and I will pursue ways to learn more from pastors, leaders, and mentors throughout my spiritual journey.

Please fill out the VCC Partner Form.
