BLESS:

Ask the children to gather around in a circle and create a heart with their hands. Demonstrate making the two sides of the heart as you join them, thumbs down and touching to form the bottom point, and fingers arched with nails touching to create the arches on either side. Then pray this blessing over them:

Children, God is love. He loves you.

Open a Bible and read John 13:34 (paraphrase):

**Love one another. Just like I love you,
you love each other.**
