inspire. equip. support.

BLESS:

Speak this blessing over the child.

May you know that God is powerful.

Open a Bible and read Psalm 68:35b:

**The God of Israel gives power
and strength to his people.
Praise be to God!**

Invite children to hold out their hands, palms together as if cupping water,
as you speak the blessing over them.
This posture indicates they are ready to receive the blessing.
