inspire. equip. support.

BLESS:

**Even in difficult times and scary places, God is with you.
His Son, Jesus, is called the “Lion of the tribe of Judah” and is
more powerful than any big lion we meet in Africa or see at the zoo.**

Look at the child and speak the following blessing:

**God is the living God.
May you remember He is always with you.**

Open a Bible and read Daniel 6:26b:

**For he is the living God
and he endures forever.**

Invite children to hold out their hands, palms together as if cupping water,
as you speak the blessing over them.
This posture indicates they are ready to receive the blessing.
