Chapel Information and Tours

The Vineyard Chapel is a beautiful chapel with chandeliers and sconces, trimmed with scroll molding and classic architectural features. It seats up to 350 in comfortable upholstered chairs. The chapel is equipped with professional sound and lighting equipment. The lobby area provides a cozy seating area for arriving guests. We provide a dressing area for the bride and her attendants which includes a private bathroom. The groom and his groomsmen have a private room which gives them a place to hang their jackets and relax before the ceremony. Chapel tours are **by appointment only**. To arrange for a tour please contact the Wedding Scheduler at weddings@vineyardcincinnati.com or call 513.671.0422 and ask for the Wedding Scheduler. Our chapel is very popular as a wedding location so we suggest reserving it well in advance to secure your preferred date.

Premarital Support

We place a high value on the premarital process at the Vineyard and our pastoral staff deems this time of utmost importance in order to build a strong foundation for the spiritual and relational components of your life together. Therefore, **attendance at all classes in the Premarital Series and meeting with your mentor couple are prerequisites to be married by a Vineyard Pastor**. Please note that your wedding reservation will be held tentatively until confirmation has been received that you have completed all the requirements of our premarital series. Therefore, it is important that you register immediately and **we recommend that you allow at least 3 months between the completion of your premarital class and your wedding date**.

Class topics include family of origin, communication, anger and conflict resolution, finances, intimacy, and growth and planning. The classes are taught by utilizing a survey tool, lectures, exercises and group discussions. Registration and premarital inventory is required 2 weeks prior to start date of the classes. You can find more information and register for an upcoming class at vineyardcincinnati.com/premarital.

Wedding Fees

Offsite Weddings:

- Premarital Class Fee is \$95.00 per couple
- Offsite wedding fee for a Vineyard Pastor performing the nuptials is \$325

Weddings may be scheduled for offsite locations with a Vineyard Pastor performing the nuptials based on their availability. Offsite fees must be paid in full before a Vineyard Pastor will be scheduled.

Onsite Weddings:

- Premarital Class Fee is \$95.00 per couple
- Refundable deposit for a wedding in the Vineyard Chapel is \$200
- Fee for use of Vineyard Chapel is \$775
- Overtime charge after 1 hour rehearsal time is \$100 per hour beginning 10 minutes after the hour
- Overtime charge after 4-hour chapel time is \$50 per hour beginning 10 minutes after the 4 hours
- Alcoholic beverages are not allowed on the premises. Failure to honor this will result in the loss of the entire \$200 Security Deposit

The \$200 deposit is due before your date can be requested. This separate check will be deposited and is refundable up to 90 days after its receipt upon cancellation. **Paying the deposit does not guarantee your date; you must receive your official wedding confirmation, then sign and return the Chapel Usage Agreement that accompanies your confirmation.** If this agreement is not returned signed within a week, you may forfeit your wedding reservation. Though it's unlikely, in the event there are expenses incurred due to overtime, damages, or cleaning and removing decor, those fees will be deducted from your security deposit and the remainder will be returned to you after the wedding. If there are no additional expenses, a check will be issued for the full deposit and mailed to you after the wedding.

The wedding fee of \$775 is due 30 days prior to the wedding date. This covers the Pastor's fee, building usage, and administrative costs, including a professional Sound Technician during your rehearsal and wedding ceremony, as well as a Ceremony Coordinator for your rehearsal and 4-hour coverage during the agreed upon usage time of the chapel.

Vineyard Wedding Staff

Wedding Scheduler:

The Wedding Scheduler is your first contact when requesting information about Vineyard weddings. The scheduler can answer questions, provide information, and schedule chapel tours. The scheduler will process payments and make all facility reservations and schedule the staff for your wedding. At any time in the process, feel free to contact the Wedding Scheduler with questions or concerns at weddings@vineyardcincinnati.com.

Wedding Pastor:

Due to speaking responsibilities, pastors who speak on the weekends do not perform weddings. Not to worry! We have wonderful ordained pastors, both male and female, who are experienced working with couples. These professionals are happy to work with you to make your wedding day a special one. Vineyard Wedding Pastors help couples prepare for their big day. This includes contacting you about 4 weeks before the wedding to plan the actual ceremony, scheduling 1 to 2 meetings to get to know you, connecting with your mentor couple from the Premarital Ministry regarding your premarital experience, and making sure you're supported as a couple. Participation by a Vineyard pastor is required for any wedding involving the Vineyard's facilities. A guest pastor may officiate your wedding if you so choose. In this case, our pastor will have a brief interview with the guest pastor to ensure that Vineyard vision and values are met. In this case, the Vineyard pastor's fee will not be reduced. Payment of the guest pastor is to be handled separately between you and the guest pastor.

Ceremony Coordinator:

Our Ceremony Coordinators are experienced working with couples and can assist in planning and make suggestions for a smooth and beautiful wedding ceremony. Your Ceremony Coordinator will not only facilitate your rehearsal, but will assist you for the 4 hours you have access to the chapel on your wedding day. They will contact you about 4 weeks before your wedding to introduce herself and assist with planning. Your coordinator can be present to receive and direct any floral or rental deliveries, set up the aisle runner, provide assistance with lighting and other facility matters. Also, they will be able to instruct the wedding party regarding their placement and movement during the seating of guests, processional, ceremony, recessional and receiving line.

VINEYARD CINCINNATI

Sound Technician:

Our Sound Technicians work closely with the Ceremony Coordinators and are experienced professionals that set the mood for your wedding. Your technician can provide technical support for pre-recorded music, musicians and/or vocalists you provide. The technician will be available at your rehearsal to perform sound checks for speakers, music, and live musicians and to preview video or PowerPoint presentations. Your technician will then implement your audio and video needs for your wedding day.

Musicians and Vocalists

Vineyard Cincinnati Church does not provide pre-recorded music, musicians, or vocalists. The Vineyard Chapel is equipped with a piano which is available for use at no charge. You may have a combination of up to 4 musicians and/or vocalists; more than 4 may result in additional fees. Please have any musicians and/or vocalists available at your rehearsal for a sound check. All musicians must be present for the sound check unless otherwise arranged with the Ceremony Coordinator. Musicians and/or vocalists' fees are handled separately between you and the musicians/vocalists.

Audio Visual Guidelines

The basic wedding package includes:

Music and Video playback

- Music for playback can be provided in either of two formats:
 - All selections recorded onto a single CD in the order of playback
 - OR-
 - All selections provided as .mp3 files on a flash drive
 - Please provide a written list of songs, song length, and place in the ceremony when each song is to be played
- 1 Video playback or 1 automatic (self-timed) PowerPoint presentation
 - Please provide any videos in one of these formats: .mov, .mp4 or .m4v

Please provide all music, directions for playback, video and/or PowerPoint presentations to the Ceremony Coordinator no later than one week before the wedding rehearsal. Additional A/V Techs may be hired at the rate of \$100 per wedding in order to accommodate requests that exceed the basic package. Vineyard Cincinnati will try to accommodate all requests for A/V support that exceed the basic package; however, there is no guarantee that any set up above the basic can be accommodated.
